

Scott Hogan

District-Appointed Seat

SUMMARY

I respectfully request consideration for the district-appointed seat on the Greater Naples Fire Department Chapter 175 Pension Board.

My 25-year career with the Greater Naples Fire Department, combined with approximately 14 years of previous Pension Board service, has given me a unique understanding of both the department and the pension plan. I have firsthand experience with the issues that affect our members, retirees, and beneficiaries.

During my previous service on the Pension Board, I helped oversee the growth of the pension plan from approximately \$8 million to more than \$60 million and participated in negotiations with the District involving DROP, BAC-DROP, COLA, and Mutual Consent.

I believe my previous board experience, FPPTA certification, pension education, and understanding of the needs of our firefighters and retirees would allow me to immediately contribute as a trustee.

After dedicating 25 years to the Greater Naples Fire Department and 14 years to serving on the Pension Board, I would be honored to have the opportunity to continue serving the members and retirees of the department in this capacity.
