

GREATER NAPLES FIRE RESCUE DISTRICT
BOARD OF FIRE COMMISSIONERS
Action Item Worksheet

NEW BUSINESS

Agenda Item: III. E.
Subject: Fire Equipment Purchase
Meeting Date: May 6, 2026
Prepared By: Jousha Bauer, Deputy Chief

Background

The Greater Naples Fire District's Operations Section requires additional equipment for its apparatus to reduce downtime when crews change units due to mechanical problems or scheduled maintenance. This one-time purchase will ensure all apparatus across the District are standardized and fully equipped.

The District issued a Request for Quote (RFQ) to qualified vendors capable of supplying the required items. Six vendors submitted quotes, with awards made on a line-item basis to the lowest-priced vendor for each item. The attached bid tabulation reflects the District's total anticipated purchase.

The current total is \$941,492.25. Staff is requesting authorization for an additional contingency amount of \$30,000.00 to cover any unforeseen needs that may have arisen between the initial inventory assessment and the outfitting of the trucks.

Funding Source/Financial Impact

Capital Improvement Projects Fund/ not to exceed \$971,492.25 (Capital Project. No. 26161)

Recommendation

Staff recommends approving the purchases from the six vendors as outlined in the tabulation and authorize the Sole Source purchase(s) where applicable.

Potential Motion

I move to approve purchasing the equipment as presented not to exceed \$971,492.25.

Attachment

1. Equipment List

Legal Review

This AIW and its contents have been reviewed by legal counsel for sufficiency.
