## **ARTICLE II. LEASE OF EQUIPMENT**

**Section 2.1. Acquisition of Equipment.** Prior to the addition of any Equipment Group, Lessee shall provide Lessor with a description of the equipment proposed to be subject to a Lease hereunder, including the cost and vendor of such equipment, the expected delivery date and the desired lease terms for such equipment, and such other information as the Lessor may require. If Lessor, in its sole discretion, determines the proposed equipment may be subject to a Lease hereunder, Lessor shall furnish to Lessee a proposed Equipment Schedule relating to the Equipment Group for execution by Lessee and then Lessor. By execution hereof, Lessor has made no commitment to lease any equipment to Lessee.

**Section 2.2. Disbursement.** Lessor shall have no obligation to make any disbursement to a Vendor or reimburse Lessee for any payment made to a Vendor for an Equipment Group (or, if the escrow procedure described in Section 2.4 hereof is utilized, consent to a disbursement by the Escrow Agent) until five (5) business days after Lessor has received all of the following in form and substance satisfactory to Lessor: (a) a completed Equipment Schedule executed by Lessee; (b) an Acceptance Certificate in the form included with Exhibit B hereto; (c) a resolution or evidence of other official action taken by or on behalf of the Lessee to authorize the acquisition of the Equipment Group on the terms provided in such Equipment Schedule; (d) a Tax Agreement and Arbitrage Certificate in the form of Exhibit H (as applicable) attached hereto; (e) evidence of insurance with respect to the Equipment Group in compliance with Article VII of this Agreement; (f) Vendor invoice(s) and/or bill(s) of sale relating to the Equipment Group, and if such invoices have been paid by Lessee, evidence of payment thereof and evidence of official intent to reimburse such payment as required by the Code; (g) the original certificate of title or manufacturer's certificate of origin and title application, if any, for any Equipment which is part of such Equipment Group and is subject to certificate of title laws; (h) a completed and executed Form 8038-G or 8038-GC, as applicable, or evidence of filing thereof with the Secretary of Treasury; (i) an opinion of counsel to the Lessee

substantially in the form of Exhibit F hereto, and (j) any other documents or items reasonably required by Lessor.

**Section 2.3. Lease; Possession and Use.** Lessor hereby leases the Equipment to Lessee, and Lessee hereby leases the Equipment from Lessor, upon the terms and conditions set forth herein. Lessee shall have quiet use and enjoyment of and peaceably have and hold each Equipment Group during the related Lease Term, except as expressly set forth in this Agreement.

**Section 2.4. Escrow Procedure.** If Lessor and Lessee agree that the cost of an Equipment Group is to be paid from an Escrow Account: (a) Lessor and Lessee shall execute an Escrow Agreement substantially in the form of Exhibit I or such other form as may be mutually agreeable by the parties thereto; (b) Lessor and Lessee shall execute an Equipment Schedule relating to such Equipment Group; and (c) Lessor shall deposit an amount equal to the cost of the Equipment Group into the Escrow Account. All amounts deposited by Lessor into the Escrow Account shall constitute a loan from Lessor to Lessee secured by proceeds in such Escrow Account and, when such funds are used to acquire the Equipment, shall be repaid by the Rental Payments due under the related Lease.

### **ARTICLE III. TERM**

**Section 3.1. Term.** This Agreement shall be in effect from the Agreement Date until the earliest of (a) termination under Section 3.2 or (b) termination under Section 12.2; provided, however, no Equipment Schedules shall be executed after any Non-Appropriation or Event of Default. Each Lease with respect to an Equipment Group shall be in effect for a Lease Term commencing upon the Lease Date and ending as provided in Section 3.4.

**Section 3.2. Termination by Lessee.** In the sole event of Non-Appropriation, this Agreement and each Lease hereunder shall terminate, in whole, but not in part, as to all Equipment effective upon the last day of the Fiscal Year for which funds were appropriated, in the manner and subject to the terms specified in this Article. Lessee may effect such termination by giving Lessor a written notice of termination and by paying to Lessor any Rental Payments and other amounts which are due and have not been paid at or before the end of its then current Fiscal Year. Lessee shall endeavor to give notice of such termination not less than ninety (90) days prior to the end of the Fiscal Year for which appropriations were made, and shall notify Lessor of any anticipated termination; provided, however, that in any event of Non-Appropriation failure to give notice shall not be deemed to be a renewal for any subsequent years. The foregoing shall not be deemed to be a waiver of Lessee's obligation to return the Equipment in accordance with all other terms and conditions, and, in the event of termination of this Agreement as provided in this Section, Lessee shall comply with the instructions received from Lessor in accordance with Section 12.3. Lessee agrees that it shall not deliberately cause an event of Non-Appropriation so as to permit Lessor to terminate this Agreement or any Lease hereunder in order to acquire any other equipment or obtain funds directly or indirectly to perform essentially the same application for the Equipment is intended.

**Section 3.3. Effect of Termination.** Upon termination of this Agreement as provided in Section 3.2, Lessee shall not be responsible for the payment of any additional Rental Payments coming due in succeeding Fiscal Years, but if Lessee has not complied with the instructions received from Lessor in accordance with Section 12.3, the termination shall nevertheless be effective, but Lessee shall be responsible for the payment of damages in an amount equal to the amount of the Rental Payments that would thereafter have come due if this Agreement had not been terminated and which are attributable to the number of days after which Lessee fails to comply with Lessor's instructions and for any other loss suffered by Lessor as a result of Lessee's failure to take such actions as required.

**Section 3.4. Termination of Lease Term.** The Lease Term with respect to any Lease will terminate upon the occurrence of the first of the following events: (a) the termination of this Agreement by Lessee in accordance with Section 3.2; (b) the payment of the Prepayment Price by Lessee pursuant to Article V; (c) an Event of Default by Lessee and Lessor's election to terminate such Lease pursuant to Article XII; or (d) the payment by Lessee of all Rental Payments and all other amounts authorized or required to be paid by Lessee pursuant to such Lease.

### **ARTICLE IV. RENTAL PAYMENTS**

**Section 4.1. Rental Payments.** The Lessee and Lessor confirm their understanding and agreement that: (a) all payments due hereunder are to be made solely from Lessee's legally available and/or properly appropriated funds, (b) Lessee's contractual obligations to request annual appropriations from which the payment and performance of obligations under this Agreement may be made does not constitute an indebtedness of the Lessee within the meaning of any constitutional or statutory provision or limitation. Lessee agrees to pay the Rental Payments due as specified in the Payment Schedule set forth on any Equipment Schedule hereto, the form of which is attached as Exhibit A, subject to the appropriation and availability of legally available funds in each Fiscal Year during the Term of any Lease hereunder. A portion of each Rental Payment is paid as interest as specified in the Payment Schedule of each lease, and the first Rental Payment will include Interest accruing from the Funding Date. Lessor is authorized to insert the due date of the first Rental Payment in the Payment Schedule. All Rental Payments shall be paid to Lessor, or to such assignee(s) Lessor has assigned as stipulated in Article XI, at such places as Lessor or such assignee(s) may from time to time designate by written notice to Lessee. Lessee shall pay the Rental Payments with lawful money of the United States of America from moneys legally available therefor.

**Section 4.2. Current Expense.** The obligations of Lessee, including its obligation to pay the Rental Payments due in any

Fiscal Year of a Lease Term, shall constitute a current expense of Lessee for such Fiscal Year and shall not constitute an indebtedness of Lessee within the meaning of the Constitution and laws of the State. Nothing herein shall constitute a pledge by Lessee of any taxes or other moneys (other than moneys lawfully appropriated from time to time by or for the benefit of Lessee for this Agreement and the Net Proceeds of the Equipment) to the payment of any Rental Payment or other amount coming due hereunder.

**Section 4.3. Unconditional Rental Payments.** Notwithstanding Lessee's right to terminate as provided in Section 3.2, Lessee's obligation to make Rental Payments and any other payments required hereunder shall be absolute and unconditional. Lessee shall make these payments when due and shall not withhold any of these payments pending final resolution of any disputes. The Lessee shall not assert any right of set-off or counterclaim against its obligation to make these payments. Lessee's obligation to make Rental Payments or other payments shall not be abated or mitigated through accident, unforeseen circumstances, failure of the Equipment to perform as desired, damage or destruction to the Equipment, loss of possession of the Equipment or obsolescence of the Equipment. The Lessee shall be obligated to continue to make payments required of it by this Agreement if title to, or temporary use of, the Equipment or any part thereof shall be taken under exercise of the power of eminent domain.

## **ARTICLE V. OPTION TO PREPAY**

**Section 5.1. Option to Prepay.** Lessee shall have the option to prepay its obligations under any Lease in whole but not in part on any Payment Date on or after the Prepayment Option Commencement Date for the then applicable Prepayment Price (which may include a prepayment fee) as set forth in the related Payment Schedule, provided there has been no Non-Appropriation or Event of Default.

**Section 5.2. Exercise of Option.** Lessee shall give notice to Lessor of its intention to exercise its option not less than thirty (30) days prior to the Payment Date on which the option will be exercised and shall pay to Lessor not later than such Payment Date an amount equal to all Rental Payments and any other amounts then due or past due under the related Lease (including the Rental Payment due on the Payment Date on which the option shall be effective) and the applicable Prepayment Price set forth in the related Payment Schedule. In the event that all such amounts are not received by Lessor on such Payment Date, such notice by Lessee of exercise of its option to prepay shall be void and the related Lease shall continue in full force and effect.

**Section 5.3. Release of Lessor's Interest.** Upon receipt of the Prepayment Price in good funds with respect to any Equipment Group, the Lease with respect to such Equipment Group shall terminate and Lessee shall become entitled to such Equipment Group AS IS, WHERE IS, WITHOUT WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE, except that such Equipment Group shall not be subject to any lien or encumbrance created by or arising through Lessor.

## **ARTICLE VI. REPRESENTATIONS, WARRANTIES AND COVENANTS**

**Section 6.1. Representations and Warranties of Lessee.** Lessee represents and warrants as of the Agreement Date and as of each Lease Date as follows:

- (a) Lessee is a state or political subdivision of the State within the meaning of Section 103(c) of the Code, duly organized and existing under the Constitution and laws of the State, and is authorized under the Constitution and laws of the State to enter into this Agreement, each Lease and the transactions contemplated hereby and thereby, and to perform all of its obligations under this Agreement and each Lease.
- (b) The execution and delivery of this Agreement and each Lease have been duly authorized by all necessary action of Lessee's governing body and such action is in compliance with all public bidding and other State and federal laws applicable to this Agreement, each Lease and the acquisition and financing of the Equipment by Lessee.
- (c) This Agreement and each Lease have been duly executed and delivered by and constitutes the valid and binding obligation of Lessee, enforceable against Lessee in accordance with their respective terms.
- (d) The execution, delivery and performance of this Agreement and each Lease by Lessee shall not (i) violate any State or federal law or local law or ordinance (including, without limitation, any public bidding, open meeting, notice, and procurement requirements), or any order, writ, injunction, decree, or regulation of any court or other governmental agency or body applicable to Lessee, or (ii) conflict with or result in the breach or violation of any term or provision of, or constitute a default under, any note, bond, mortgage, indenture, agreement, deed of trust, lease or other obligation to which Lessee is bound.
- (e) There is no action, suit, proceeding, claim, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body pending or, to the best of Lessee's knowledge, threatened against or affecting Lessee, challenging Lessee's authority to enter into this Agreement or any Lease or any other action wherein an unfavorable ruling or finding would adversely affect the enforceability of this Agreement or any Lease.
- (f) Lessee will furnish Lessor (i) within 180 days after the end of each Fiscal Year of Lessee, a copy of its audited financial statements for such Fiscal Year, which audited financial statements shall include a balance sheet, a statement of revenues, expenses and changes in fund balances for budget and actual, a statement of cash flows, notes, schedules and any attachments to the financial statements; (ii) no later than 10 days prior to the end of each Fiscal

Year (commencing with the current Fiscal Year), a copy of Lessee's current budget or other proof of appropriation for the ensuing Fiscal Year; (iii) promptly after Lessor's written request, a copy of any interim updates or modifications to Lessee's adopted budget and such other information relating to Lessee's ability to continue the Lease Term of each Lease for such Fiscal Year as may be reasonably requested by Lessor; and (iv) promptly, but not later than 30 days after such information is available, after Lessor's written request, such other financial statements and information as Lessor may reasonably request, including, without limitation, any information relating to the measurement and verification of proposed or guaranteed energy savings, if applicable. The financial statements described in clause (f)(i) shall be accompanied by an unqualified opinion of Lessee's auditor. Credit information relating to Lessee may be disseminated among Lessor and any of its affiliates and any of their respective successors and assigns. Lessee will have been deemed to have complied with this covenant so long as the financial information required hereunder is provided in a readily available and free of charge on-line or electronic format.

(g) Lessee or Lessee's governing body has appropriated and/or taken other lawful actions necessary to provide moneys sufficient to pay all Rental Payments during the current Fiscal Year, and such moneys will be applied in payment of all Rental Payments due and payable during such current Fiscal Year.

(h) Lessee has an immediate need for, and expects to make immediate use of, the Equipment, which need is not temporary or expected to diminish during the applicable Lease Term. Lessee presently intends to continue each Lease hereunder for its entire Lease Term and to pay all Rental Payments relating thereto.

**Section 6.2. Covenants of Lessee.** Lessee agrees that so long as any Rental Payments or other amounts due under this Agreement remain unpaid:

(a) Lessee shall not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or regulation or in a manner contrary to that contemplated by this Agreement. Lessee shall obtain and maintain all permits and licenses necessary for the installation and operation of the Equipment. Lessee shall not, without the prior written consent of Lessor (which shall not be unreasonably withheld or delayed), affix or install any accessory equipment or device on any of the Equipment if such addition would materially and adversely change or impair the originally intended functions, value, utility or remaining useful life of such Equipment.

(b) Lessee shall provide Lessor access at all reasonable times to examine and inspect the Equipment and provide Lessor with such access to the Equipment as may be reasonably necessary to perform maintenance on the Equipment in the event of failure by Lessee to perform its obligations hereunder.

(c) Lessee shall not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or other claim with respect to the Equipment, other than the respective rights of Lessor and Lessee as herein provided. Lessee shall promptly, at its own expense, take such actions as may be necessary duly to discharge or remove any such claim if the same shall arise at any time. Lessee shall reimburse Lessor for any expense incurred by Lessor in order to discharge or remove any such claim.

(d) The person or entity in charge of preparing Lessee's budget will include in the budget request for each Fiscal Year the Rental Payments to become due during such Fiscal Year, and will use reasonable and lawful means available to attempt to secure the appropriation of money for such Fiscal Year sufficient to pay all Rental Payments coming due therein. Lessor acknowledges that appropriation for Rental Payments is a discretionary governmental function which Lessee cannot contractually commit itself in advance to perform. Lessee acknowledges that this Agreement does not constitute such a commitment. However, Lessee reasonably believes that moneys in an amount sufficient to make all Rental Payments can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment in the performance of its essential functions during the applicable Lease Terms.

(e) Lessee shall assure that its obligation to pay Rental Payments is not directly or indirectly secured by any interest in property, other than Lessor's interest in the Equipment, as provided herein, and that the Rental Payments will not be directly or indirectly secured by or derived from any payments of any type or any fund other than Lessee's general purpose fund.

(f) Upon Lessor's request and if the same are not readily publicly available in an online format, Lessee shall provide Lessor with any reasonable information relating to the ability of Lessee to continue this Agreement and each Lease or with respect to the Equipment as may be reasonably requested by Lessor.

(g) Lessee shall promptly and duly execute and deliver to Lessor such reasonable further documents, instruments and assurances and take such further action as Lessor may from time to time reasonably request in order to carry out the intent and purpose of this Agreement and to establish and protect the rights and remedies created or intended to be created in favor of Lessor hereunder.

**Section 6.3. Tax Related Representations, Warranties and Covenants.**

(a) *Incorporation of Tax Agreement and Arbitrage Certificate.* As of each Lease Date and with respect to each Lease, Lessee makes each of the representations, warranties and covenants contained in the Tax Agreement and Arbitrage Certificate delivered with respect to such Lease. By this reference each such Tax Agreement and Arbitrage Certificate is incorporated in and made a part of this Agreement.

(b) *Event of Taxability.* If Lessor either (i) receives notice, in any form, from the Internal Revenue Service or (ii) reasonably determines, based on an opinion of a nationally recognized independent tax counsel, that Lessor may not

exclude, for any reason, any Interest (or portion thereof) paid under any Lease from its Federal gross income and/or should any State financial institutions tax or Federal income tax change materially affect Lessor's anticipated yield (an "Event of Taxability"), the Lessee shall pay to Lessor upon demand (x) an amount which, with respect to Rental Payments previously paid, includes interest at the Taxable Rate (as defined in each Equipment Schedule) from the Event of Taxability and all penalties, fines, interest and additions to tax (including all federal, state and local taxes imposed on the Interest due through the date of such event), to restore to Lessor its anticipated after-tax yield (assuming tax at the highest marginal tax rate and taking into account the time of receipt of Rental Payments and reinvestment at the after-tax yield rate) on the transaction evidenced by such Lease through the date of such event and (y) as additional interest on Rental Payments to Lessor on each succeeding Payment Date at the Taxable Rate so as to maintain such anticipated after-tax yield to Lessor.

## **ARTICLE VII. INSURANCE AND RISK OF LOSS**

**Section 7.1. Liability and Property Insurance.** Lessee shall, at its own expense, procure and maintain continuously in effect during each Lease Term: (a) public liability insurance for death or injuries to persons, or damage to property arising out of or in any way connected to the Equipment sufficient to protect Lessor and/or assigns from liability in all events, with a coverage of not less than \$1,000,000 per occurrence and either \$3,000,000 aggregate for non-titled Equipment or \$5,000,000/ aggregate for titled Equipment unless specified differently in the related Equipment Schedule, and (b) insurance against such hazards as Lessor may require, including, but not limited to, all-risk casualty and property insurance, in an amount equal to the greater of the full replacement cost of the Equipment or the applicable Prepayment Price of each Equipment Group.

**Section 7.2. Workers' Compensation Insurance.** If required by State law, Lessee shall carry workers' compensation insurance covering all employees on, in, near or about the Equipment, and upon request, shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term.

### **Section 7.3. Insurance Requirements.**

(a) *Insurance Policies.* All insurance policies required by this Article shall be taken out and maintained with insurance companies acceptable to Lessor and shall contain a provision that thirty (30) days prior to any change in the coverage the insurer must provide written notice to the insured parties. No insurance shall be subject to any co-insurance clause. Each insurance policy shall name Lessor and/or its assigns as an additional insured party and loss payee regardless of any breach of warranty or other act or omission of Lessee and shall include a lender's loss payable endorsement for the benefit of Lessor and/or its assigns. Prior to the delivery of Equipment, Lessee shall deposit with Lessor evidence satisfactory to Lessor of such insurance and, prior to the expiration thereof, shall provide Lessor evidence of all renewals or replacements thereof.

(b) *Self Insurance.* With Lessor's prior consent, Lessee may self-insure the Equipment by means of an adequate insurance fund set aside and maintained for that purpose which must be fully described in a letter delivered to Lessor in form acceptable to Lessor.

(c) *Evidence of Insurance.* Lessee shall deliver to Lessor upon acceptance of any Equipment evidence of insurance which complies with this Article VII with respect to such Equipment to the satisfaction of Lessor, including, without limitation, the confirmation of insurance in the form of Exhibit C-1 attached hereto together with Certificates of Insurance, when available, or the Questionnaire for Self-Insurance Rider and Lessor Consent in the form of Exhibit C-2 attached hereto, as applicable.

(d) *Payment and Performance Bond.* If requested by Lessor, which will be solely in circumstances where the Equipment will not be fully delivered and accepted at the time of funding yet partial payment therefor has been or will be made by Lessor or from an Escrow Account, a payment and performance or other type of surety bond and dual obligee rider ("Bond") is required in form and substance and with such insurer as may be required by Lessor, and Lessee will keep such Bond in effect (or require the Vendor to keep such Bond in effect) and provide Lessor with a evidence of such Bond (and any applicable renewals thereof) at all times until the final Acceptance Certificate is delivered to the Lessor. No disbursements from the Escrow Account will be permitted without evidence of such Bond having been delivered to the Lessor.

**Section 7.4. Risk of Loss.** To the extent permitted by applicable laws of the State, as between Lessor and Lessee, Lessee assumes all risks and liabilities from any cause whatsoever, whether or not covered by insurance relating to any Lease hereunder, for loss or damage to any Equipment and for injury to or death of any person or damage to any property. Whether or not covered by insurance, Lessee hereby assumes responsibility for and agrees to release, defend, and hold harmless Lessor from all liabilities, obligations, losses, damages, penalties, claims, actions, costs and expenses, including reasonable attorneys' fees, imposed on, incurred by or asserted against Lessor that relate to or arise out of this Agreement, including but not limited to, (a) the selection, manufacture, purchase, acceptance or rejection of Equipment or the ownership of the Equipment, (b) the delivery, lease, possession, maintenance, use, condition, return or operation of the Equipment, (c) the condition of the Equipment sold or otherwise disposed of after possession by Lessee, (d) the conduct of Lessee, its officers, employees and agents, (e) a breach of Lessee of any of its covenants or obligations hereunder, (f) any claim, loss, cost or expense involving alleged damage to the environment relating to the Equipment, including, but not

limited to investigation, removal, cleanup and remedial costs, and (g) any strict liability under the laws or judicial decisions of any state or the United States. This provision shall survive the termination of this Agreement. Nothing in this Section 7.4 shall be deemed to obligate Lessee to spend any monies with regards to the matters set forth herein that are not properly appropriated, designated for such purposes (e.g. insurance proceeds, warranty payments, self-insurance, reserve or sinking funds, etc.) and/or otherwise legally available. Nothing herein shall be deemed to (a) create an unconstitutional or illegal obligation on the part of the Lessee and (b) be a waiver of any constitutional or statutory waivers, rights, immunities, or privileges, Any provision or requirement of the Agreement which is determined or to be illegal, invalid, or unconstitutional shall be stricken solely to the extent of such invalidity with the remainder of the provisions of the Agreement to be in full force and effect.

**Section 7.5. Destruction of Equipment.** Lessee shall provide a complete written report to Lessor immediately upon any loss, theft, damage or destruction of any Equipment and of any accident involving any Equipment. Lessor may inspect the Equipment at any time and from time to time during regular business hours. If all or any part of the Equipment is stolen, lost, destroyed or damaged beyond repair or taken by an exercise of eminent domain (“Damaged Equipment”), Lessee shall within thirty (30) days after such event either: (a) replace the same at Lessee’s sole expense with equipment having substantially similar Specifications and of equal or greater value to the Damaged Equipment immediately prior to the time of the loss occurrence, such replacement equipment to be subject to Lessor’s approval, whereupon such replacement equipment shall be substituted in the applicable Lease and the other related documents by appropriate endorsement or amendment; or (b) pay the applicable Prepayment Price of the Damaged Equipment determined as set forth in the related Equipment Schedule. Lessee shall notify Lessor of which course of action it will take within fifteen (15) days after the loss occurrence. If, within forty-five (45) days of the loss occurrence, (a) Lessee fails to notify Lessor; (b) Lessee and Lessor fail to execute an amendment to the applicable Equipment Schedule to delete the Damaged Equipment and add the replacement equipment or (c) Lessee has failed to pay the applicable Prepayment Price, then Lessor may, at its sole discretion, declare the applicable Prepayment Price of the Damaged Equipment, to be immediately due and payable from the Net Proceeds and any other legally available or proper appropriated funds. The Net Proceeds of insurance with respect to the Damaged Equipment shall be made available by Lessor to be applied to discharge Lessee’ obligation under this Section.

## **ARTICLE VIII. OTHER OBLIGATIONS OF LESSEE**

**Section 8.1. Maintenance of Equipment.** Lessee shall notify Lessor in writing prior to moving the Equipment to another address and shall otherwise keep the Equipment at the address specified in the related Equipment Schedule. Lessee shall, at its own expense, maintain the Equipment in proper working order and shall make all necessary repairs and replacements to keep the Equipment in such condition including compliance with State and federal laws. Any and all replacement parts must be free of encumbrances and liens. All such replacement parts and accessories shall be deemed to be incorporated immediately into and to constitute an integral portion of the Equipment and as such, shall be subject to the terms of this Agreement.

**Section 8.2. Taxes.** Lessee shall pay all taxes and other charges which are assessed or levied against the Equipment, the Rental Payments or any part thereof, or which become due during the Lease Term, whether assessed against Lessee or Lessor, except as expressly limited by this Section. Lessee shall pay all utilities and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment, and all special assessments and charges lawfully made by any governmental body that may be secured by a lien on the Equipment. Lessee shall not be required to pay any federal, state or local income, succession, transfer, franchise, profit, excess profit, capital stock, gross receipts, corporate, or other similar tax payable by Lessor, its successors or assigns, unless such tax is made as a substitute for any tax, assessment or charge which is the obligation of Lessee under this Section.

**Section 8.3. Advances.** If Lessee shall fail to perform any of its obligations under this Article, Lessor may take such action to cure such failure, including the advancement of money, and Lessee shall be obligated to repay all such advances on demand, with interest at the Default Rate from the date of the advance to the date of repayment.

## **ARTICLE IX. TITLE**

**Section 9.1. Title.** During the Lease Term and subject to the leasehold interest of Lessor and rights set forth in Sections 12.2 and 12.3 herein, ownership and legal title of all Equipment and all replacements, substitutions, repairs and modification shall be in Lessee and Lessee shall take all action necessary to vest such ownership and title in Lessee. Lessor does not own the Equipment and by this Agreement and each Lease is merely financing the acquisition of such equipment for Lessee. Lessor has not been in the chain of title of the Equipment, does not operate, control or have possession of the Equipment and has no control over the Lessee or the Lessee’s operation, use, storage or maintenance of the Equipment.

**Section 9.2. Leasehold Interest.** Lessee hereby grants to Lessor a leasehold interest in and to the Equipment, all repairs, replacements, substitutions and modifications thereto and all proceeds thereof (including without limitation any Net Proceeds, warranty payments and guaranteed energy or other savings payments) and in the Escrow Account (if any) in order to secure Lessee’s payment of all Rental Payments and the performance of all other obligations. Upon termination of a Lease through exercise of Lessee's option to prepay pursuant to Article V or through payment by Lessee of all Rental

Payments and other amounts due with respect to an Equipment Group, Lessor's leasehold interest in such Equipment Group shall terminate. Any provision in this Agreement or any Lease hereunder that references Lessor having a security interest in the Equipment is hereby cancelled and shall not have any force or effect. Lessor and Lessee agree that the Agreement does not result in any lien, charge, security interest or other encumbrance upon the Equipment or any asset of the Lessee.

**Section 9.3. Modification of Equipment.** Lessee will not, without the prior written consent of Lessor, affix or install any accessory equipment or device on any of the Equipment if such addition will change or impair the originally intended value, function or use of the Equipment.

**Section 9.4. Personal Property.** Except as permitted by Lessor in writing in connection to any Equipment Schedules, the Equipment is and shall at all times be and remain personal property and not fixtures.

## **ARTICLE X. WARRANTIES**

**Section 10.1. Selection of Equipment.** Each Vendor and all of the Equipment have been selected by Lessee. Lessor shall have no responsibility in connection with the selection of the Equipment, the ordering of the Equipment, its suitability for the use intended by Lessee, the acceptance by any Vendor or its sales representative of any order submitted, or any delay or failure by such Vendor or its sales representative to manufacture, deliver or install any Equipment for use by Lessee.

**Section 10.2. Vendor's Warranties.** Lessor hereby assigns to Lessee for and during the related Lease Term, all of its interest, if any, in all Vendor's warranties, guarantees and patent indemnity protection, express or implied issued on or applicable to an Equipment Group, and Lessee may obtain the customary services furnished in connection with such warranties and guarantees at Lessee's expense. Lessor has no obligation to enforce any Vendor's warranties or obligations on behalf of itself or Lessee.

**Section 10.3. Disclaimer of Warranties.** LESSEE ACKNOWLEDGES THAT THE EQUIPMENT IS OF A SIZE, DESIGN, CAPACITY, AND MANUFACTURE SELECTED BY LESSEE. LESSEE ACKNOWLEDGES THAT IT SELECTED THE EQUIPMENT WITHOUT ASSISTANCE OF LESSOR, ITS AGENTS OR EMPLOYEES. LESSOR IS NOT A MANUFACTURER OF THE EQUIPMENT OR A DEALER IN SIMILAR EQUIPMENT, AND DOES NOT INSPECT THE EQUIPMENT BEFORE DELIVERY TO LESSEE. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, QUALITY, DURABILITY, SUITABILITY, MERCHANT-ABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY LESSEE OF THE EQUIPMENT, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE EQUIPMENT. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE EQUIPMENT OR LESSEE'S USE OF THE EQUIPMENT.

## **ARTICLE XI. ASSIGNMENT AND SUBLEASING**

**Section 11.1. Assignment by Lessor.** Lessor, without Lessee's consent, may assign and reassign all of Lessor's right, title and/or interest in and to this Agreement or any Lease, including, but not limited to, the Rental Payments and other amounts payable by Lessee and Lessor's interest in the Equipment, in whole or in part to one or more assignees or subassignee(s) by Lessor at any time. No such assignment shall be effective as against Lessee unless and until written notice of the assignment is provided to Lessee. When presented with a notice of assignment, Lessee will acknowledge in writing receipt of such notice for the benefit of Lessor and any assignee. Lessee shall keep a complete and accurate record of all such assignments.

**Section 11.2. Assignment and Subleasing by Lessee.** Neither this Agreement nor any Lease or any Equipment may be assigned, subleased, sold, transferred, pledged or mortgaged by Lessee.

## **ARTICLE XII. EVENTS OF DEFAULT AND REMEDIES**

**Section 12.1. Events of Default Defined.** The occurrence of any of the following events shall constitute an Event of Default under this Agreement and each Lease:

- (a) Lessee's failure to pay, within ten (10) days following the due date thereof, any Rental Payment or other amount required to be paid to Lessor (other than by reason of Non-Appropriation).
- (b) Lessee's failure to maintain insurance as required by Article VII.
- (c) With the exception of the above clauses (a) & (b), Lessee's failure to perform or abide by any condition, agreement or covenant for a period of thirty (30) days after written notice by Lessor to Lessee specifying such failure and requesting that it be remedied, unless Lessor shall agree in writing to an extension of time prior to its expiration.
- (d) Lessor's reasonable determination that any material representation or warranty made by Lessee in this Agreement was untrue in any material respect upon execution of this Agreement or any Equipment Schedule.
- (e) The occurrence of an Event of Taxability and Lessee's failure to comply with the provisions of Section 6.3(b).
- (f) The filing of a petition in bankruptcy by or against Lessee, or failure by Lessee promptly to lift any execution, garnishment or attachment of such consequence as would impair the ability of Lessee to carry on its governmental functions or assignment by Lessee for the benefit of creditors, or the entry by Lessee into an agreement of composition

with creditors, or the approval by a court of competent jurisdiction of any adjustment of indebtedness of Lessee, or the dissolution or liquidation of Lessee.

**Section 12.2. Remedies on Default.** Upon the occurrence of any Event of Default, Lessor's sole rights and remedies shall be limited to: (i) demanding and suing for compensatory damages, which Lessee agrees to pay and which are agreed to the sum of: (x) Prepayment Price applicable to the immediately preceding Rental Payment due date, as forth in the related Equipment Schedule, plus (b) any Rental Payments accrued and unpaid as of the date of default; plus (c) any actual and reasonable costs and expenses incurred in the pursuit of any rights and remedies permitted in Sections 12.2 and 12.3 hereof, including court costs, attorneys' fees, and repossession and collection costs, except to the extent prohibited by the Constitution and laws of the State of Florida; plus (d) interest on any amount at the Default Rate as set forth in Section 12.5 herein; (ii) to require that Lessee voluntarily return the Equipment to a location specified by Lessor, at Lessee's sole cost, risk and expense and in the condition required in Sections 8.1 and 12.3 hereunder; and (iii) exercising any legal right, privilege or remedy, which may be available to it, including, without limitation, proceeding by appropriate court action to seek a mandamus or require specific performance/enforcement of any provision of this Agreement, including, without limitation, Lessee's covenant to return possession and title of the Equipment.

**Section 12.3. Return of Equipment: Release of Lessee's Interest.** With respect to any provision of this Agreement requiring Lessee to return all or any portion of the Equipment to Lessor or to transfer title to all or any portion of the equipment to Lessor (regardless of whether a result of Non-Appropriation or an Event of Default), Lessee will be obligated to do so, unless the performance of such obligation is waived by the Lessor because the Lessor agrees that title, licensure or usefulness of certain types of Equipment cannot be transferred to the Lessor. In such event, Lessor is entitled to require that Lessee immediately cease use of the Equipment and certify that it has returned, destroyed, and/or purged all software, programming or other Equipment that cannot be returned and/or transferred to the Lessor from its servers, computers, electronic data storage, or physical data storage (i.e. CDs, disks, thumb drives, manuals, licenses, etc.). If such Equipment cannot be returned and/or title thereto transferred, Lessor shall be under no obligation to sell or re-let the Equipment to mitigate any amounts owed by Lessee hereunder. Upon return of the Equipment to Lessor due to an event of Non-Appropriation or the occurrence of an Event of Default, the Lessor shall use commercially reasonable efforts to sell or lease or cost efficiently dispose of such Equipment as the case is conditioned upon the Equipment and market variables. If the Lessee returns the Equipment for any reason not related to Non-Appropriation and Lessor sells, leases or otherwise disposes of any or all of the Equipment, Lessor shall apply the proceeds of such sale, lease, or disposition as provided in Section 12.4. Upon return of Equipment to the Lessor due to an event of Non-Appropriation, Lessee shall not be liable for any deficiency after the sale, lease or other disposition of the Equipment. In the event that Lessee fails for refuses to return or transfer the Equipment or title thereto voluntarily as set forth above, Lessor acknowledges that the Agreement does not and shall not create a right in Lessor to involuntarily dispossess Lessee of title to or possession of all or any item of the Equipment, except in enforcing its rights via legal action. In lieu of such right to repossess the Equipment, Lessor shall be entitled to and Lessee agrees to pay to Lessor immediately, but only from Lessee's legally available and appropriated revenues, the Prepayment Price applicable to the immediately preceding Rental Payment due date, as set forth on the Payment Schedule, plus any Rental Payments, interest and other amounts accrued and unpaid as of the date of such payment.

**Section 12.4 Application of Money Following Return.** Any net proceeds from the sale, lease or other disposition of Equipment by the Lessor following the occurrence of an Event of Default shall be applied in the following order of priority: FIRST, to pay all of Lessor's costs, charges, expenses included in taking, holding, repairing, selling leasing or otherwise disposing of such Equipment, then SECOND, to the extent not previously paid by the Lessee, to pay all Rental Payments under the applicable Lease through the termination date, then THIRD, to pay the Prepayment Price applicable as of the end of the then current Fiscal Year and any other obligations hereunder or as forth in the related Payment Schedule, and then, FOURTH, to pay any remainder to the Lessee. Any net proceeds from the sale, lease, or other disposition of the Equipment by Lessor following an Event of Non-Appropriation shall be kept by the Lessor and applied in any manner that the Lessor determines.

**Section 12.5 Late Charge.** Lessor shall have the right to require late payment charge for each Rental or any other amount due hereunder which is not paid within 10 days of the date when due equal to the lesser of 5% of each late payment or the legal maximum. For any Rent Payment and other amount not paid within 30 days of the due date, Lessor shall have the right to resume interest thereof at the Default Rate which shall accrue from the due date. This Section is only applicable to the extent it does not affect the validity of this Agreement.

### **ARTICLE XIII. MISCELLANEOUS PROVISIONS**

**Section 13.1. Notices.** All written notices to be given under this Agreement shall be given by mail to the party entitled thereto at its address specified beneath each party's signature, or at such address as the party may provide to the other parties hereto in writing from time to time. Any such notice shall be deemed to have been received 72 hours after deposit in the United States mail in registered or certified form, with postage fully prepaid, or, if given by other means, when delivered at the address specified in this Section 13.1.

**Section 13.2. Binding Effect.** This Agreement and each Lease hereunder shall be binding upon and shall inure to the

benefit of Lessor and Lessee and their respective successors and assigns. Specifically, as used herein the term “Lessor” means any person or entity to which Lessor has assigned its right to receive Rental Payments under any Lease.

**Section 13.3. Severability.** In the event any provision of this Agreement or any Lease shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

**Section 13.4. Entire Agreement; Amendments.** This Agreement constitutes the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous writings, understandings, agreements, solicitation documents and representations, express or implied. **Section 13.5. Captions.** The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions, Articles, Sections or Clauses hereof.

**Section 13.6. Further Assurances and Corrective Instruments.** Lessor and Lessee agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Equipment hereby leased or intended so to be, or for otherwise carrying out the expressed intention of this Agreement.

**Section 13.7. Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State.

**Section 13.8. Usury.** It is the intention of the parties hereto to comply with any applicable usury laws; accordingly, it is agreed that, notwithstanding any provisions to the contrary herein or in any Equipment Schedule, in no event shall this Agreement or any Lease hereunder require the payment or permit the collection of Interest or any amount in the nature of Interest or fees in excess of the maximum amount permitted by applicable law. Any such excess Interest or fees shall first be applied to reduce Principal, and when no Principal remains, refunded to Lessee. In determining whether the Interest paid or payable exceeds the highest lawful rate, the total amount of Interest shall be spread through the applicable Lease Term so that the Interest is uniform through such term.

**Section 13.9. Lessee’s Performance.** A failure or delay of Lessor to enforce any of the provisions of this Agreement or any Lease shall in no way be construed to be a waiver of such provision.

**Section 13.10. Waiver of Jury Trial.** Except as prohibited by the laws and/or constitution of the State, Lessor and Lessee hereby waive any right to trial by jury in any action or proceeding with respect to, in connection with or arising out of this Agreement.

### OPINION OF LESSEE'S COUNSEL

January 16, 2024

Flagstar Public Funding Corp.  
600 Washington Avenue, Suite 305  
Towson, Maryland 21204

Re: Equipment Schedule No. 001 dated January 16, 2024 to that certain  
Master Equipment Lease-Purchase Agreement dated January 16, 2024

Ladies and Gentlemen:

As counsel to the Greater Naples Fire Rescue District (the "*Lessee*"), I have examined the Master Equipment Lease-Purchase Agreement dated January 16, 2024 and Equipment Schedule No. 001 thereto dated January 16, 2024 (collectively, the "*Lease Agreement*"), between the Lessee and Flagstar Public Funding Corp., as lessor ("*Lessor*"), the Escrow Fund and Account Control Agreement dated January 16, 2024, together the Disbursement Request Form and Certificate of Acceptance (collectively, the "*Escrow Agreement*"), and the proceedings taken by the Governing Body of the Lessee to authorize on behalf of the Lessee the execution and delivery of the Lease Agreement and the Escrow Agreement. The Lease Agreement and the Escrow Agreement are herein collectively referred to as the "*Transaction Documents*." Based upon the foregoing examination and upon an examination of such other documents and matters of law as I have deemed necessary or appropriate, I am of the opinion that:

1. The Lessee is a [describe entity type], which is a body corporate & politic duly established and validly existing as a political subdivision of the State of Florida under the Constitution and laws of the State of Florida with full power and authority to enter into the Transaction Documents.

2. The Transaction Documents have each been duly authorized, executed, and delivered by the Lessee and are in full compliance with all local, state and federal laws. Assuming due authorization, execution and delivery thereof by Lessor, the Transaction Documents constitute legal, valid, and binding obligations of the Lessee, enforceable against the Lessee in accordance with their respective terms, subject to any applicable bankruptcy, insolvency, moratorium or other laws or equitable principles affecting the enforcement of creditors' rights generally. The execution of the Transaction Documents and the appropriation of monies due under the Lease Agreement will not result in the violation of any constitutional, statutory or limitation relating to the manner, form or amount of indebtedness which may be incurred by the Lessee.

3. The Equipment to be leased pursuant to the Lease Agreement constitutes personal property and, when subjected to use by the Lessee, will not be a fixture under applicable law.

4. The Lessee has complied with all applicable statutes, laws, rules, regulations, notice and public bidding requirements, including, without limitation, [insert statutes if applicable], in connection with the Transaction Documents and the transactions contemplated thereby. The resolution adopted by the Governing Body of the Lessee authorizing the execution and delivery of the Transaction Documents and certain other matters was adopted at a meeting that was held in compliance with all applicable laws relating to the holding of open and public meetings. No approval, consent or withholding of objections is required from any State, federal or local governmental authority or instrumentality with respect to the entry into or performance by Lessee of its obligations under the Transaction Documents, except as have already been obtained.

5. No litigation or proceeding is pending or, to the best of my knowledge, threatened to restrain or enjoin the execution, delivery, or performance by the Lessee of the Transaction Documents or in any way to contest the validity of the Transaction Documents, to contest or question the creation or existence of the Lessee or the governing body of the Lessee or the authority or ability of the Lessee to execute or deliver the Transaction

Documents or to comply with or perform its obligations thereunder. There is no litigation pending or, to the best of my knowledge, threatened seeking to restrain or enjoin the Lessee from annually appropriating sufficient funds to pay the rental payments or other amounts contemplated by the Lease Agreement. The entering into and performance of the Transaction Documents do not and will not violate any judgment, order, law, or regulation applicable to the Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest, or other encumbrance upon any assets of the Lessee or on the Equipment (as such term is defined in the Lease Agreement) pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement, or other instrument to which the Lessee is a party or by which it or its assets may be bound.

6. The Lessee has covenanted to comply with any continuing requirements that may be necessary to preserve the exclusion from gross income for purposes of federal income taxation under the Internal Revenue Code of 1986, as amended (“Code”), of the portion of the Rental Payments designated as interest. In the event that the Lessee continuously complies with its covenants under the Transaction Documents and so long as the amounts payable to the Lessor are derived from the Rental Payments made by the Lessee, the portion of the Rental Payments designated as interest is not includible in gross income for federal income tax purposes under the current law. No opinion is expressed as to the tax treatment of payments made to the Lessor from sources other than from Rental Payments made by the Lessee. The Lease Agreement and the obligation to pay Rental Payments thereunder as represented by the Lease Agreement are not “specified private activity bonds” as such term is defined in the Code and the portion of the Rental Payments designated as interest is not includible as an item of tax preference under Section 57 of the Code for purposes of computing the alternative minimum tax. However, the portion of Rental Payments designated as interest and received by the Lessor may be subject to an alternative minimum tax. Except as set forth in paragraphs 6 and 7 herein, we express no opinion regarding other federal tax consequences arising with respect to the Lease Agreement.

7. The Lessee has validly designated the Lease as a “qualified tax exempt obligation” as defined in and for the purposes of Section 265(b)(3) of the Code.

This opinion may be relied upon by purchasers and assignees of Lessor’s interests in the Lease Agreement.

Respectfully submitted,

---

### TAX & ARBITRAGE CERTIFICATE

Dated: January 16, 2024

The following certificate is delivered in connection with the execution and delivery of Equipment Schedule No. 001 dated January 16, 2024 to that certain Master Equipment Lease-Purchase Agreement dated January 16, 2024 (collectively, the "Lease Agreement"), entered into between the Greater Naples Fire Rescue District (the "Lessee") and Flagstar Public Funding Corp. (the "Lessor"). Capitalized terms used herein have the meanings defined in the Lease Agreement.

#### **Section 1. In General.**

1.1. This Certificate is executed for the purpose of establishing the reasonable expectations of Lessee as to future events regarding the financing of certain equipment (the "Equipment") to be acquired by Lessor and leased to Lessee pursuant to and in accordance with the Equipment Schedule executed under the Agreement (together with all related documents executed pursuant thereto and contemporaneously herewith, the "Financing Documents"). As described in the Financing Documents, Lessor shall apply **\$1,505,889.00** (the "Principal Amount") toward the acquisition of the Equipment and closing costs, and Lessee shall make Rental Payments under the terms and conditions as set forth in the Financing Documents.

1.2. The individual executing this Certificate on behalf of Lessee is an officer of Lessee delegated with the responsibility of reviewing and executing the Financing Documents, pursuant to the resolution or other official action of Lessee adopted with respect to the Financing Documents, a copy of which has been delivered to Lessor.

1.3. The Financing Documents are being entered into for the purpose of providing funds for financing the cost of acquiring, equipping and installing the Equipment which is essential to the governmental functions of Lessee, which Equipment is described in the Equipment Schedule. The Principal Amount will be deposited in escrow by Lessor on the date of issuance of the Financing Documents and held by **Flagstar Bank**, as escrow agent (the "Escrow Agent") pending acquisition of the Equipment under the terms of that certain Escrow Agreement dated as of January 16, 2024 (the "Escrow Agreement"), by and between Lessor and Escrow Agent.

1.4 Lessee will timely file for each payment schedule issued under the Lease a Form 8038-G (or, if the invoice price of the Equipment under such schedule is less than \$100,000, a Form 8038-GC) relating to such Lease with the Internal Revenue Service in accordance with Section 149(e) of the Internal Revenue Code of 1986, as amended (the "Code").

1.5 The Equipment Schedule No. is a "qualified tax-exempt obligation" for the purposes and within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. As such, the Lessee hereby represents that the Lessee reasonably anticipates that the Lessee and other entities that the Lessee controls will not issue tax-exempt obligations (including the Equipment Schedule) the aggregate principal amount of which exceed \$10,000,000 during the calendar year in which Equipment Schedule is executed and delivered and interest commences to accrue thereunder.

#### **Section 2. Non-Arbitrage Certifications.**

2.1. The Rental Payments due under the Financing Documents will be made with monies retained in Lessee's general operating fund (or an account or subaccount therein). No sinking, debt service, reserve or similar fund or account will be created or maintained for the payment of the Rental Payments due under the Financing Documents or pledged as security therefor.

2.2. There have been and will be issued no obligations by or on behalf of Lessee that would be deemed to be (i) issued or sold within fifteen (15) days before or after the date of issuance of the Financing Documents, (ii) issued or sold pursuant to a common plan of financing with the Financing Documents and (iii) paid out of substantially the same source of funds as, or deemed to have substantially the same claim to be paid out of substantially the same source of funds as, the Financing Documents.

2.3. Lessee does not and will not have on hand any funds that are or will be restricted, segregated, legally required or otherwise intended to be used, directly or indirectly, as a substitute, replacement or separate source of financing for the Equipment.

2.4. No portion of the Principal Amount is being used by Lessee to acquire investments which produce a yield materially higher than the yield realized by Lessor from Rental Payments received under the Financing Documents.

2.5. The Principal Amount does not exceed the amount necessary for the governmental purpose for which the Financing Documents were entered into. Such funds are expected to be needed and fully expended for payment of the costs of acquiring, equipping and installing the Equipment.

2.6. Lessee does not expect to convey, sublease or otherwise dispose of the Equipment, in whole or in part, at a date which is earlier than the final Payment Date under the Financing Documents.

### **Section 3. Disbursement of Funds; Reimbursement to Lessee.**

3.1 It is contemplated that the entire Principal Amount will be used to pay the acquisition cost of Equipment to the Vendors or manufacturers thereof or for any financial advisory or closing costs, provided that, if applicable, a portion of the principal amount may be paid to Lessee as reimbursement for acquisition cost payments already made by it so long as the conditions set forth in Section 3.2 below are satisfied.

3.2. Lessee shall not request that it be reimbursed for Equipment acquisition cost payments already made by it unless each of the following conditions have been satisfied:

(a) Lessee adopted a resolution or otherwise declared its official intent in accordance with Treasury Regulation § 1.150-2 (the "Declaration of Official Intent"), wherein Lessee expressed its intent to be reimbursed from the proceeds of a borrowing for all or a portion of the cost of the Equipment, which expenditure was paid to the Vendor not earlier than sixty (60) days before Lessee adopted the Declaration of Official Intent;

(b) The reimbursement being requested will be made by a written allocation before the later of eighteen (18) months after the expenditure was paid or eighteen (18) months after the items of Equipment to which such payment relates were placed in service;

(c) The entire payment with respect to which reimbursement is being sought is a capital expenditure, being a cost of a type properly chargeable to a capital account under general federal income tax principles; and

(d) Lessee will use any reimbursement payment for general operating expenses and not in a manner which could be construed as an artifice or device under Treasury Regulation § 1.148-10 to avoid, in whole or in part, arbitrage yield restrictions or arbitrage rebate requirements.

### **Section 4. Use and Investment of Funds; Temporary Period.**

4.1. Lessee has incurred or will incur, within six (6) months from the date of issuance of the Financing Documents, binding obligations to pay an amount equal to at least five percent (5%) of the Principal Amount toward the costs of the Equipment. An obligation is not binding if it is subject to contingencies within Lessee's control. The ordering and acceptance of the items of Equipment will proceed with due diligence to the date of final acceptance of the Equipment.

4.2. An amount equal to at least eighty-five percent (85%) of the Principal Amount will be expended to pay the cost of the Equipment by the end of the three-year period commencing on the date of this Certificate. No portion of the Principal Amount will be used to acquire investments that do not carry out the governmental purpose of the Financing Documents and that have a substantially guaranteed yield of four (4) years or more.

4.3. (a) Lessee covenants and agrees that it will rebate an amount equal to excess earnings on the Principal Amount deposited under the Escrow Agreement to the Internal Revenue Service if required by, and in accordance with, Section 148(f) of the Code, and make the annual determinations and maintain the records required by and otherwise comply with the regulations applicable thereto. Lessee reasonably expects to cause the Equipment to be acquired by January 16, 2025, but not later than July 16, 2025.

(b) Lessee will provide evidence to Lessor that the rebate amount has been calculated and paid to the Internal Revenue Service in accordance with Section 148(f) of the Code unless (i) the entire Principal Amount is expended on the Equipment by the date that is the six-month anniversary of the Financing Documents or (ii) the Principal Amount is expended on the Equipment in accordance with the following schedule: At least fifteen percent (15%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within six months from the date of issuance of the Financing Documents; at least sixty percent (60%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment within 12 months from the date of issuance of the Financing Documents; and one hundred percent (100%) of the Principal Amount and interest earnings thereon will be applied to the cost of the Equipment prior to eighteen (18) months from the date of issuance of the Financing Documents.

(c) Lessee hereby covenants that (i) Lessee is a governmental unit with general tax powers; (ii) the Lease is not a "private activity bond" under Section 141 of the Code; (iii) at least ninety-five percent (95%) of the Principal Amount is used for the governmental activities of Lessee; and (iv) the aggregate principal amount of all tax-exempt obligations (including the Lease) issued by Lessee and its subordinate entities, if any, during the current calendar year is not reasonably expected to exceed \$5,000,000. Accordingly, the rebate requirements of Section 148(f) of the Code are treated as being met, in lieu of the spending exceptions set forth in paragraph (b) above.

### **Section 5. Escrow Account.**

The Financing Documents provide that the monies deposited in escrow shall be invested until payments to the Vendor(s) or manufacturer(s) of the Equipment are due. Lessee will ensure that such investment will not result in Lessee's obligations under the Financing Documents being treated as an "arbitrage bond" within the meaning of Section 148(a) of the Internal Revenue Code of 1986, as amended (the "Code"), respectively. Any monies which are earned from the investment of these funds shall be labeled as interest earned. All such monies will be disbursed on or promptly after the date that Lessee accepts the Equipment. Lessee acknowledges that the provisions of Sections 2 and 4 herein are particularly applicable when the Principal Amount is funded into an Escrow Fund subject to the Escrow Agreement.

### **Section 6. No Private Use; No Consumer Loan.**

6.1. Lessee will not exceed the private use restrictions set forth in Section 141 of the Code. Specifically, Lessee will not permit more than 10% of the Principal Amount to be used for a Private Business Use (as defined herein) if, in addition, the payment of more than ten percent (10%) of the Principal Amount plus interest earned thereon is, directly or indirectly, secured by (i) any interest in property used or to be used for a Private Business Use or (ii) any interest in payments in respect of such property or derived from any payment in respect of property or borrowed money used or to be used for a Private Business Use.

6.2 In addition, if both (A) more than five percent (5%) of the Principal Amount is used as described above with respect to Private Business Use and (B) more than five percent (5%) of the Principal Amount plus interest earned thereon is secured by Private Business Use property or payments as described above, then the excess over such five percent (5%) (the "Excess Private Use Portion") will be used for a Private Business Use related to the governmental use of the Equipment. Any such Excess Private Use Portion of the Principal Amount will not exceed the portion of the Principal Amount used for the governmental use of the particular project to which such Excess Private Use Portion is related. For purposes of this paragraph 6.2, "Private Business Use" means use of bond proceeds or bond financed-property directly or indirectly in a trade or business carried on by a natural person or in any activity carried on by a person other than a natural person, excluding, however, use by a state or local governmental unit and excluding use as a member of the general public.

6.3. No part of the Principal Amount or interest earned thereon will be used, directly or indirectly, to make or finance any loans to non-governmental entities or to any governmental agencies other than Lessee.

### **Section 7. No Federal Guarantee.**

7.1. Payment of the principal or interest due under the Financing Documents is not directly or indirectly guaranteed, in whole or in part, by the United States or an agency or instrumentality thereof.

7.2. No portion of the Principal Amount or interest earned thereon shall be (i) used in making loans the payment of principal or interest of which are to be guaranteed, in whole or in part, by the United States or any agency or instrumentality thereof, or (ii) invested, directly or indirectly, in federally insured deposits or accounts if such investment would cause the financing under the Financing Documents to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

### **Section 8. Miscellaneous.**

8.1. Lessee shall keep a complete and accurate record of all owners or assignees of the Financing Documents in form and substance satisfactory to comply with the registration requirements of Section 149(a) of the Code unless Lessor or its assignee agrees to act as Lessee's agent for such purpose.

8.2. Lessee shall maintain complete and accurate records establishing the expenditure of the Principal Amount and interest earnings thereon for a period of five (5) years after payment in full under the Financing Documents.

8.3. To the best of the undersigned's knowledge, information and belief, the above expectations are reasonable and there are no other facts, estimates or circumstances that would materially change the expectations expressed herein.

8.4. The Lessee confirms and acknowledges that its true and correct tax identification number is: 47-2260647 and full, true and correct legal name is "Greater Naples Fire Rescue District." Lessee confirms that it is located in County of Collier, State of Florida.

8.5 The Lessee has adopted, by resolution, separate written procedures regarding ongoing compliance with federal tax requirements necessary to keep, ensure and maintain the interest portions of the Rental Payments under the Financing Documents as excluded from Lessor's gross income for federal income tax purposes, and will, on an annual basis, conduct an audit of the Financing Documents to ensure compliance with such procedures.

**IN WITNESS WHEREOF**, this Tax & Arbitrage Certificate has been executed on behalf of Lessee as of January 16, 2024.

(c) Lessor and Lessee, jointly and severally, agree to indemnify, release, and hold the Escrow Agent harmless from and against any and all claims, losses, costs, liabilities, damages, suits, demands, judgments or expenses, including, but not limited to, attorney's fees, costs and disbursements, (collectively "**Claims**") claimed against or incurred by Escrow Agent arising out of or related, directly or indirectly, to the Escrow Agreement and the Escrow Agent's performance hereunder or in connection herewith, except to the extent such Claims arise from Escrow Agent's willful misconduct or gross negligence as adjudicated by a court of competent jurisdiction.

(d) In the event of any disagreement between or among Lessor and Lessee, or between any of them and any other person, resulting in adverse claims or demands being made to Escrow Agent in connection with the Escrow Account, or in the event that the Escrow Agent, in good faith, be in doubt as to what action it should take hereunder, the Escrow Agent may, at its option, refuse to comply with any claims or demands on it, or refuse to take any other action hereunder, so long as such disagreement continues or such doubt exists, and in any such event, the Escrow Agent shall not become liable in any way or to any person for its failure or refusal to act, and the Escrow Agent shall be entitled to continue so to refrain from acting until (i) the rights of all parties shall have been fully and

finally adjudicated by a court of competent jurisdiction, or (ii) all differences shall have been adjusted and all doubt resolved by agreement among all of the interested persons, and the Escrow Agent shall have been notified thereof in writing signed by all such persons. The Escrow Agent shall have the option, after thirty (30) days' notice to Lessor and Lessee of its intention to do so, to file an action in interpleader requiring the parties to answer and litigate any claims and rights among themselves. The rights of the Escrow Agent under this section are cumulative of all other rights which it may have by law or otherwise.

(e) In the event that the Escrow Agent shall be uncertain as to its duties or rights hereunder, the Escrow Agent shall be entitled to (i) refrain from taking any action other than to keep safely the Escrow Funds until it shall be directed otherwise by a court of competent jurisdiction, or (ii) deliver the Escrow Funds to a court of competent jurisdiction.

(f) The Escrow Agent shall have no duty, responsibility or obligation to interpret or enforce the terms of any agreement other than Escrow Agent's obligations hereunder, and the Escrow Agent shall not be required to make a request that any monies be delivered to the Escrow Account, it being agreed that the sole duties and responsibilities of the Escrow Agent shall be to the extent not prohibited by applicable law (i) to accept checks or other instruments for the payment of money delivered to the Escrow Agent for the Escrow Account and deposit said checks or instruments into the Escrow Account, and (ii) disburse or refrain from disbursing the Escrow Funds as stated herein, provided that the checks or instruments received by the Escrow Agent have been collected and are available for withdrawal.

4. Escrow Account Statements and Information. The Escrow Agent agrees to send to the Lessee and/or the Lessor a copy of the Escrow Account periodic statement, upon request in accordance with the Escrow Agent's regular practices for providing account statements to its non-escrow clients and to also provide the Lessee and/or Lessor, or their designee, upon request other deposit account information, including Account balances, by telephone or by computer communication, to the extent practicable. The Lessee and Lessor agree to complete and sign all forms or agreements required by the Escrow Agent for that purpose. The Lessee and Lessor each consents to the Escrow Agent's release of such Account information to any of the individuals designated by Lessee or Lessor, which designation has been signed in accordance with Section 3(a) by any of the persons in Schedule A. Further, the Lessee and Lessor have an option to receive e-mail notification of incoming and outgoing wire transfers. If this e-mail notification service is requested and subsequently approved by the Escrow Agent, the Lessee and Lessor agrees to provide a valid e-mail address and other information necessary to set-up this service and sign all forms and agreements required for such service. The Lessee and Lessor each consents to the Escrow Agent's release of wire transfer information to the designated e-mail address(es). The Escrow Agent's liability for failure to comply with this section shall not exceed the cost of providing such information.

5. Resignation and Termination of the Escrow Agent. The Escrow Agent may resign at any time by giving thirty (30) days' prior written notice of such resignation to Lessor and Lessee. Upon providing such notice, the Escrow Agent shall have no further obligation hereunder except to hold the Escrow Funds that it has received as of the date on which it provided the notice of resignation as depository. In such event, the Escrow Agent shall not take any action until Lessor and Lessee jointly designate a banking corporation, trust company, attorney or other person as successor escrow agent. Upon receipt of such written instructions signed by Lessor and Lessee, the Escrow Agent shall promptly deliver the Escrow Funds, net of any outstanding charges, to such successor escrow agent and shall thereafter have no further obligations hereunder. If such instructions are not received within thirty (30) days following the effective date of such resignation, then the Escrow Agent may deposit the Escrow Funds and any other amounts held by it pursuant to this Agreement with a clerk of a court of competent jurisdiction pending the appointment of a successor escrow agent. In either case provided for in this section, the Escrow Agent shall be relieved of all further obligations and released from all liability thereafter arising with respect to the Escrow Funds.

6. Termination.

(a) Lessor and Lessee may terminate the appointment of the Escrow Agent hereunder upon a joint written notice to Escrow Agent specifying the date upon which such termination shall take effect. In the event of such termination, Lessor and Lessee shall, within thirty (30) days of such notice, jointly appoint a successor escrow agent and the Escrow Agent shall, upon receipt of written instructions signed by both Lessor and Lessee, turn over to such successor escrow agent all of the Escrow Funds; provided, however, that if Lessor and Lessee fail to appoint

a successor escrow agent within such thirty (30)-day period, such termination notice shall be null and void and the Escrow Agent shall continue to be bound by all of the provisions hereof. Upon receipt of the Escrow Funds, the successor escrow agent shall become the Escrow Agent hereunder and shall be bound by all of the provisions hereof and the Escrow Agent shall be relieved of all further obligations and released from all liability thereafter arising with respect to the Escrow Funds.

(b) The Escrow Account shall be terminated on the "Termination Date," which shall be the earliest of (i) the final distribution of amounts in the Escrow Account, (ii) the "Anticipated Closing Date" (as such term is defined on Schedule A hereto), or (iii) unilateral written notice given by Lessor of the occurrence of a default, Event of Default (as such term is defined in the Lease), Non-Appropriation (as such term is defined in the Lease) or any other termination of the Lease which results in Lessor being paid less than the Prepayment Price (as such term is defined in the Lease).

(c) Unless all of the Escrow Funds deposited by Lessor in the Escrow Account have been previously disbursed pursuant to Section 2 herein, on the Termination Date, Escrow Agent shall pay upon written direction from Lessor all remaining moneys in the Escrow Account to Lessor or its assignee for application to the Prepayment Price, including any fees, interest or premium included in the definition thereof as found in the related Lease. If any Prepayment Price does not contain a premium or penalty and this Agreement and the Escrow Account is terminated pursuant to Section 6(b) herein, then any amounts paid pursuant to this Section 6(c) shall be subject to a prepayment fee equal to three percent (3%) of such amount. Lessor shall apply amounts received under this Section 6 first to unpaid fees, late charges and collection costs, if any, which have accrued or been incurred under the Lease, then to overdue Principal and Interest on the Lease and then, in the sole discretion of Lessor, either (i) to the Prepayment Price due under the Lease in the inverse order of all respective principal maturities, or (ii) proportionately to each Principal payment thereafter due under the Lease. In the event that Lessor elects to apply any such amounts in accordance with clause (i) of the preceding sentence, Lessee shall continue to make Rental Payments as scheduled in the applicable Payment Schedule. In the event that Lessor elects to apply such amounts in accordance with clause (ii) of this Section 6(c), Lessor shall provide Lessee with a revised Payment Schedule which shall reflect the revised Principal balance and reduced Rental Payments due under the Lease. Capitalized terms used in this Section 6, but not defined herein, shall have the meanings given to such terms in the Lease. Escrow Agent shall have no responsibility to see to the appropriate application of any moneys returned under this Section 6.

## 7. Investment.

(a) If the non-interest bearing account option is selected in Schedule A hereto, all Escrow Funds received by the Escrow Agent shall be held only in non-interest bearing bank accounts at Escrow Agent.

(b) If the interest-bearing account option is selected in Schedule A hereto, the Escrow Fund shall be invested in Flagstar Bank, N.A.'s Monogram Insured Money Market Deposit Account for Business. Lessee agrees and represents to the Escrow Agent that any interest or other income earned on the Escrow Account shall for the purposes of reporting such income to the appropriate taxing authorities be deemed to be earned by the Lessee.

(c) The following provisions are applicable regardless of whether an interest-bearing or non-interest bearing account is elected. The Lessee represents that it is a US person as that term is defined by IRS. The Lessee agrees to provide the Escrow Agent with a certified tax identification number by signing and returning a Form W-9 to the Escrow Agent upon execution of this Escrow Agreement. The Lessee understands that, in the event the Lessee's tax identification number is incorrect or is not certified to the Escrow Agent, the Internal Revenue Code, as amended from time to time, may require withholding of a portion of any interest or other income earned on the Escrow Funds. The Lessee agrees to assume any and all obligations imposed, now or hereafter, by the applicable tax law and/or applicable taxing authorities, with respect to any interest or other income earned on the Escrow Funds and to indemnify and hold the Escrow Agent harmless from any liability or obligation on account of taxes, assessments, additions for late payment, interest, penalties, expenses and other governmental charges that may be assessed or asserted against the Escrow Agent in connection with or relating to any payment made or other activities performed under the terms of this Agreement, including without limitation any liability for the withholding or deduction of (or the failure to withhold or deduct) the same, and any liability for the failure to obtain proper certifications or to report properly to governmental authorities in connection with this Agreement, including costs and expenses (including reasonable legal fees and expenses) interest and penalties, in each such case to the extent

applicable to, or arising in respect of, the interest earned on the Escrow Account, unless such liability is caused by the Escrow Agent's gross negligence or willful misconduct. The foregoing indemnification and agreement to hold harmless shall survive the termination of this Agreement.

8. Security Interest. The Escrow Agent and Lessee acknowledge and agree that the Escrow Account, the Escrow Funds, and all investments, cash, securities, and proceeds thereof are being irrevocably held by Escrow Agent for the benefit of the Lessee and Lessor subject to disbursement or return solely as set forth herein. In addition to the foregoing and should Lessor's interest in the Lease Proceeds be invalidated, illegal or challenged in any fashion, Lessee hereby grants to Lessor a first priority perfected security interest in the Escrow Account and Escrow Funds, and all cash, securities, investments and proceeds thereof that may, from time to time, be held in the Escrow Account. If the Escrow Account, or any part thereof, is converted to investments as set forth in this Agreement, such investments shall be made in the name of Escrow Agent and held for the benefit of Lessor and Lessee subject to the express terms and conditions of this Agreement. Notwithstanding the grant and conveyance of a lien and security interest in favor of the Lessor and solely with respect to Claims, Fees or other actual and out-of-pocket costs that have not been previously reimbursed, Escrow Agent is hereby granted a security interest in and a lien upon the Escrow Account and Escrow Funds, which security interest and lien shall be prior to all other security interests, liens or claims against the Escrow Account, Escrow Funds, or any part thereof. The Escrow Account and Escrow Funds shall not be subject to levy or attachment or lien by or for the benefit of any creditor of either Lessor or Lessee or Escrow Agent (other than Lessor's and Escrow Agent's respective security interests granted hereunder).

9. Compensation. The Escrow Agent shall be entitled, for the duties to be performed by it hereunder, to a one-time "Set-Up Fee," if any, as set forth on Schedule A hereto, which fee shall be paid by Lessor or Lessee upon the signing of this Agreement. In addition, Lessor and Lessee shall be obligated to reimburse Escrow Agent for all fees, costs and expenses incurred or that becomes due in connection with this Agreement or the Escrow Account, including reasonable attorney's fees (collectively, and together with the Set-Up Fee, "Fees"). Neither the modification, cancellation, termination or rescission of this Agreement nor the resignation or termination of the Escrow Agent shall affect the right of the Escrow Agent to retain the amount of any fee which has been paid, or to be reimbursed or paid any amount which has been incurred or becomes due, prior to the effective date of any such modification, cancellation, termination, resignation or rescission. To the extent the Escrow Agent has incurred any such expenses, or any such fee becomes due, prior to or commensurate with the Termination Date, the Escrow Agent shall advise the Lessee and Lessor and the Lessee and Lessor shall direct all such amounts to be paid directly to Escrow Agent prior to any distribution of funds set forth in Section 6 herein

10. Regulatory Compliance.

(a) Lessee and Lessor agree to observe and comply, to the extent applicable, with all anti-money laundering laws, rules and regulations including, without limitation, regulations issued by the Office of Foreign Assets Control of the United States Department of Treasury and the Financial Crimes Enforcement Network of the U.S. Department of Treasury.

(b) Lessee and Lessor shall provide to the Escrow Agent such information as the Escrow Agent may require to enable the Escrow Agent to comply with its obligations under the Bank Secrecy Act of 1970, as amended ("BSA"), or any regulations enacted pursuant to the BSA or any regulations, guidance, supervisory directive or order of the New York State Department of Financial Services or Federal Deposit Insurance Corporation. The Escrow Agent shall not make any payment of all or any portion of the Escrow Funds to any person unless and until such person has provided to the Escrow Agent such documents as the Escrow Agent may require to enable the Escrow Agent to comply with its obligations under the BSA.

(c) To help the United States government fight funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. When an account is opened and from time to time as be required by the Escrow Agent's internal policies and procedures, the Escrow Agent shall be entitled to ask for such information that will allow the Escrow Agent to identify relevant parties. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, the Escrow Agent may ask for documentation to verify its formation and existence as a legal entity. The Escrow Agent may also ask to see financial statements, licenses, identification, and authorization

documents from individuals claiming authority to represent the entity or other relevant documentation. The Parties acknowledge that a portion of the identifying information set forth herein is being requested by the Escrow Agent in connection with Title III of the USA Patriot Act, Pub.L. 107-56 (the “Act”), and Lessee and Lessor each agrees to provide any additional information requested by the Escrow Agent in its sole discretion in connection with the Act or any other legislation, regulation, regulatory order or published guidance to which the Escrow Agent is subject, in a timely manner.
