

**JOINT FEDERAL, STATE, LOCAL  
PUBLIC NOTICE  
January 21, 2025**

The Greater Naples Fire Rescue District intends to submit an application for the Rebuild Florida Hazard Mitigation Grant Match Program (HMGMP). The HMGMP program utilizes match funding from the FEMA Hazard Mitigation Grant Program (HMGP) through the Florida Division of Emergency Management and HUD Community Development Block Grant - Disaster Recovery (CDBG-DR) match funding through Florida Commerce. Funding for the proposed project will be conditional upon compliance with all applicable federal, tribal, state and local laws, regulations, floodplain standards, permit requirements and conditions.

The Fire District is seeking a total of \$3,992,489 to perform a wind retrofit on six fire stations. Fire stations 20, 22, 71, 72, 73, and 90 are vital to the community and provide protection of life and property by providing emergency response services. The project shall harden the exterior envelopes of the six (6) fire stations, reducing the potential for structural and content damages from future wind events.

**Location of Proposed Work:**

The area affected by this project consists of fire stations in the following locations:

Station 20 – 4798 Davis Blvd, Naples, FL 34104  
Station 22 – 4375 Bayshore Drive, Naples, FL 34112  
Station 71 – 100 13<sup>th</sup> Street Southwest, Naples, FL 34117  
Station 72 – 3820 Beck Blvd, Naples, FL 34114  
Station 73 – 14565 Collier Blvd, Naples, FL 34119  
Station 90 – 175 Capri Blvd, Naples, FL 34113

**Comment Period:**

Comments are solicited from the public; local, state or federal agencies; and other interested parties in order to consider and evaluate the impacts of the proposed project. The public comment period for this notice will begin on Wednesday January 22<sup>nd</sup>, 2025 and conclude on Monday February 3<sup>rd</sup>, 2025. The comments should be made in writing and submitted to [jbauer@gnfire.org](mailto:jbauer@gnfire.org). Interested persons may submit comments, obtain more detailed information about the proposed action, or request a copy of the findings by contacting:

Joshua Bauer, CDM, Deputy Chief  
Greater Naples Fire Rescue District
