

POWER UP RESPONSIBLY

DISPOSE OF BATTERIES PROPERLY

Batteries may **power up** our devices, but they need a **proper send-off** when they're out of juice!

Collier County Recycling Drop-Off Centers accept **ALL** types of batteries.

They can be **very dangerous** if disposed of incorrectly!

HELP KEEP WORKERS SAFE AND PREVENT FIRES by not placing any type of batteries in your garbage or recycling carts.

AVOID THE SPARK by dropping off at your local Drop-Off Center to dispose of them in a way that is safe for the environment and our workers.

RECYCLING DROP-OFF CENTERS

**OPEN MON-FRI
8:30AM – 4:30PM**
